The City and its officers, employees, agents, assigns, and volunteers shall be added as an additional insured to the general liability and automobile coverages of any such policies and such insurance coverages shall be primary and noncontributory to any insurance and/or self insurance such additional insureds may have. The Contractor shall immediately notify in writing the City of any changes, modifications, and/or termination of any insurance coverages and/or policies required by this Contract. The Contractor shall provide to the City with the signed Contract an Acord certificate of insurance which states in the description of operations section one of the two paragraphs below:
- (1) The City and its officers, employees, agents, assigns, and volunteers are additional insureds as coverage under this policy includes ISO endorsement CG 20 33 which provides that the insured status of such entities is automatic if required by a contract or a written agreement. (If additional insured status is automatic under a different coverage form, Contractor must attach a copy of the coverage form to its certificate. Any required insurance policies shall be effective prior to the beginning of any work or other performance by Contractor and any subcontractors under this Contract).

OR

- (2) ISO endorsement CG 20 10 will be issued, prior to the beginning of any work or other performance by Contractor under this Contract, to the City and its officers, employees, agents, assigns, and volunteers naming them as an additional insured under the general liability coverage. (A copy of the binder confirming the issuance must be attached to the certificate. Any required insurance policies shall be effective prior to the beginning of any work or other performance by Contractor and any subcontractors under this Contract).

However, if B (1) or (2) cannot be provided, the City's Risk Manager, in such Manager's sole discretion, may approve such other certificate of insurance or insurance document(s) that the Risk Manager deems acceptable. The City of Roanoke shall also be named as the Certificate Holder.

- C. The minimum insurance policies and/or coverages that shall be provided by the Contractor, including its subcontractors, include the following:

\$500,000.00 Bodily Injury by Disease Policy Limit.

(4) The required limits of insurance for this Contract may be achieved by combining underlying primary coverage with an umbrella liability coverage to apply in excess of the general and automobile liability policies, provided that such umbrella liability policy follows the form of the underlying primary coverage.

(5) Such insurance policies and/or coverages shall provide for coverage against any and all claims and demands made by a person or persons or any other entity for property damages or bodily or personal injury (including death) incurred in connection with the services, work, items, and/or other matters to be provided under this Contract with respect to the commercial general liability coverages and the automobile liability coverages. (1) Contractor shall furnish the City with the above required certificates of insurance showing the type, amount, effective dates, and date of expiration of the policies.

- F. The Contractor's insurance policies and/or coverages shall not contain any exclusions for the Contractor's subcontractors.
- G. The continued maintenance of the insurance policies and coverages required by the Contract is a continuing obligation, and the lapse and/or termination of any such policies or coverages without approved replacement policies and/or coverages being obtained shall be grounds for termination of the Contractor for default.
- H. Nothing contained in the insurance requirements is to be construed as limiting the liability of the Contractor, and/or its subcontractors, or their insurance carriers. The City does not in any way represent that the coverages or the limits of insurance specified are sufficient or adequate to protect the Contractor's interest or liabilities, but are merely minimums. The obligation of the Contractor, and its subcontractors, to purchase insurance shall not in any way limit the obligations of the Contractor in the event that the City or any of those named above should suffer any injury or loss in excess of the amount actually recoverable through insurance. Furthermore, there is no requirement or obligation for the City to seek any recovery against the Contractor's insurance company before seeking recovery directly from the Contractor.

The City of Roanoke has a responsibility to its citizens, business owners, large and small, and the community to be good stewards of its financial resources. Every day the City strives to accomplish our mission by making changes in our process and procedures, we know every penny counts. The electronic Card Payables program was implemented to streamline our accounts payable process. This program allows the City to use MasterCard Virtual Card Numbers (VCNs) from a well-known banking institution to reduce costs, paperwork and time associated with our current invoice and check payment process.

The VCN will be issued by the City upon invoice approval and delivered via secure email from the Bank to the designated individual within your company. Instructions will be provided on how to retrieve your VCN and all required invoice level detail. The virtual card number can then be processed through your normal POS terminal. If you agree to this payment arrangement your company will need to ensure the Bank's email address is allowed through your organization's security firewall.

By accepting the Bank's Card Payables VCN as a form of payment, your company can also take advantage of the following Purchasing Card benefits:

- **Improved cash flow** - you can receive payment in 48 – 72 hours from invoice approval, positively affecting your account receivables
- **Reduced credit and collection expenses** – reduce your administrative costs spent on collections and tracking down late payments
- **Enhanced competitive position** – gives you a tangible competitive advantage in attracting and retaining customers, including the City of Roanoke
- **Rate Improvement** – potential eligibility for favorable Bank discount rates

**Please complete page 2 of this attachment and return it along with your bid form so we can update our vendor records and begin the process of converting your account to be paid for goods and services rendered to the City via VCN.**

Your acceptance of this method of payment will have no bearing on the evaluation or award of this solicitation. A confirmation email with additional information and instructions will be sent from [accounts.payable@roanoke.gov](mailto:accounts.payable@roanoke.gov).

The City is committed to this initiative and welcomes your support as a vendor. The program should prove beneficial to both of our organizations and we appreciate your cooperation.
