- 4364, of the Va. Code. Failure of the City to render a decision within said 120 days shall not result in the Contractor being awarded the relief claimed nor shall it result in any other relief or penalty. The sole result of the City's failure to render a decision within said 120 days shall be Contractor's right to immediately institute legal action. No administrative appeals procedure pursuant to Section 2.2 - 4365 of the Va. Code has been established for contractual claims under this Contract.

(5) Such insurance policies and/or coverages shall provide for coverage against any and all claims and demands made by a person or persons or any other entity for property damages or bodily or personal injury (including death) incurred in connection with the services, work, items, and/or other matters to be provided under this Contract with respect to the commercial general liability coverages and the automobile liability coverages. The City does not in any way represent that the coverages or the limits of insurance specified are sufficient or adequate to protect the

Contractor's interest or liabilities, but are merely minimums. The obligation of the Contractor, and its subcontractors, to purchase insurance shall not in any way limit the obligations of the Contractor in the event that the City or any of those named above should suffer any injury or loss in excess of the amount actually recoverable through insurance. CARDS PAYABLE APPLICATION

The City of Roanoke has a responsibility to its citizens, business owners, large and small, and the community to be good stewards of its financial resources. Every day the City strives to accomplish our mission by making changes in our process and procedures, we know every penny counts. The electronic Card Payables program was implemented to streamline our accounts payable process. This program allows the City to use MasterCard Virtual Card Numbers (VCNs) from a well-known banking institution to reduce costs, paperwork and time associated with our current invoice and check payment process.

The VCN will be issued by the City upon invoice approval and delivered via secure email from the Bank to the designated individual within your company. Instructions will be provided on how to retrieve your VCN and all required invoice level detail. The virtual card number can then be processed through your normal POS terminal. If you agree to this payment arrangement your company will need to ensure the Bank's email address is allowed through your organization's security firewall.

By accepting the Bank's Card Payables VCN as a form of payment, your company can also take advantage of the following Purchasing Card benefits:

- **Improved cash flow** - you can receive payment in 48 – 72 hours from invoice approval, positively affecting your account receivables
- **Reduced credit and collection expenses** – reduce your administrative costs spent on collections and tracking down late payments
- **Enhanced competitive position** – gives you a tangible competitive advantage in attracting and retaining customers, including the City of Roanoke
- **Rate Improvement** – potential eligibility for favorable Bank discount rates

Please complete page 2 of this attachment and return it along with your bid form so we can update our vendor records. Your acceptance of this method of payment will have no bearing on the evaluation or award of this solicitation.
