(If additional insured status is automatic under a different coverage form, Contractor must attach a copy of the coverage form to its certificate. Any required insurance policies shall be effective prior to the beginning of any work or other performance by Contractor and any subcontractors under this Contract).

OR

- (2) ISO endorsement CG 20 10 will be issued, prior to the beginning of any work or other performance by Contractor under this Contract, to the City and its officers, employees, agents, assigns, and volunteers naming them as an additional insured under the general liability coverage. (A copy of the binder confirming the issuance must be attached to the certificate. Any required insurance policies shall be effective prior to the beginning of any work or other performance by Contractor and any subcontractors under this Contract).

However, if B (1) or (2) cannot be provided, the City's Risk Manager, in such Manager's sole discretion, may approve such other certificate of insurance or insurance document(s) that the Risk Manager deems acceptable. The City of Roanoke shall also be named as the Certificate Holder.

(5) Such insurance policies and/or coverages shall provide for coverage against any and all claims and demands made by a person or persons or any other entity for property damages or bodily or personal injury (including death) incurred in connection with the services, work, items, and/or other matters to be provided under this Contract with respect to the commercial general liability coverages and the automobile liability coverages. F. The Contractor's insurance policies and/or coverages shall not contain any exclusions for the Contractor's subcontractors.

G. The continued maintenance of the insurance policies and coverages required by the Contract is a continuing obligation, and the lapse and/or termination of any such policies or coverages without

approved replacement policies and/or coverages being obtained shall be grounds for termination of the Contractor for default.

- H. Nothing contained in the insurance requirements is to be construed as limiting the liability of the Contractor, and/or its subcontractors, or their insurance carriers. The City does not in any way represent that the coverages or the limits of insurance specified are sufficient or adequate to protect the Contractor's interest or liabilities, but are merely minimums. The obligation of the Contractor, and its subcontractors, to purchase insurance shall not in any way limit the obligations of the Contractor in the event that the City or any of those named above should suffer any injury or loss in excess of the amount actually recoverable through insurance. Furthermore, there is no requirement or obligation for the City to seek any recovery against the Contractor's insurance company before seeking recovery directly from the Contractor.

CARDS PAYABLE APPLICATION

The City of Roanoke is committed to effective and efficient use of its financial resources. To support this commitment, the City implemented an electronic Card Payables program to streamline the accounts payable process. This program will allow the use of MasterCard Virtual Card Numbers (VCNs) from a well-known banking institution, Fifth Third Bank, to make electronic payments.

A unique VCN number will be issued for each invoice transaction. The VCN will be issued by the City upon approval and delivered via secure email from the Bank to the designated individual of the applying company (applicant). Instructions will be provided on how to retrieve the assigned VCN and how to provide the required invoice detail. The VCN can be processed through a normal point of sale (POS) terminal. Upon acceptance of this payment arrangement the applicant will need to ensure the Bank's email address is allowed through its organization's security firewall.

By accepting the Bank's Card Payables VCN as a form of payment, the applicant may also take advantage of the following Purchasing Card benefits:

- **Improved cash flow** - receive payment in 48 – 72 hours from invoice approval
- **Reduced credit and collection expenses** – reduce administrative costs incurred on collections and late payments
- **Rate Improvement** – potential eligibility for favorable Bank discount rates

Please complete page 2 of this attachment and return it along with your bid form so we can update our vendor records. *Your acceptance of this method of payment will have no bearing on the evaluation or award of this solicitation.*

A confirmation email with additional information and instructions will be sent from accounts.payable@roanoke.gov.

The City is committed to this initiative and encourages support from its vendors. The program should prove beneficial to both of the City and vendor organizations.
