CARDS PAYABLE APPLICATION

The City of Roanoke is committed to effective and efficient use of its financial resources. To support this commitment, the City implemented an electronic Card Payables program to streamline the accounts payable process. This program will allow the use of MasterCard Virtual Card Numbers (VCNs) from a well-known banking institution, Fifth Third Bank, to make electronic payments.

A unique VCN number will be issued for each invoice transaction. The VCN will be issued by the City upon approval and delivered via secure email from the Bank to the designated individual of the applying company (applicant). Instructions will be provided on how to retrieve the assigned VCN and how to provide the required invoice detail. The VCN can be processed through a normal point of sale (POS) terminal. Upon acceptance of this payment arrangement the applicant will need to ensure the Bank's email address is allowed through its organization's security firewall.

By accepting the Bank's Card Payables VCN as a form of payment, the applicant may also take advantage of the following Purchasing Card benefits:

- **Improved cash flow** - receive payment in 48 – 72 hours from invoice approval
- **Reduced credit and collection expenses** – reduce administrative costs incurred on collections and late payments
- **Rate Improvement** – potential eligibility for favorable Bank discount rates

Please complete page 2 of this attachment and return it along with your bid form so we can update our vendor records. *Your acceptance of this method of payment will have no bearing on the evaluation or award of this solicitation.*

A confirmation email with additional information and instructions will be sent from accounts.payable@roanoke.gov.

The City is committed to this initiative and encourages support from its vendors. The program should prove beneficial to both of the City and vendor organizations.

Please address any questions to Rene Satterwhite at 540-853-5209 or rene.satterwhite@roanokeva.gov.
