**QUESTIONS AND ANSWERS**

**Request for Proposal: RFP # 16-06-09**

**Description: Electronic Waste Management Services**

---

**Vendor Question #1: Is the City looking for live load pickups or container/trailer service?**

**City's Answer:** The City is currently seeking a vendor for live load pickups; however, the City is seeking a vendor that will provide an evolving level of collection service based on how much additional e-waste the City will collect and need to process in the future, and the container and shipping preparation needs of the selected offeror.
